Dear Nicholas Cook

On behalf of Bly Miers, Fiona Sanfrancesco, Trish McIntyre, Anna Bezos, Vanessa Carlin and myself may we extend to you our sincere thanks for supporting the 2008 Canberra Star Ball.

The Star Ball was a wonderful and successful night of amazing food, wine and entertainment and it was great to get such positive feedback and see so many people relaxed and enjoying themselves. The event generated a net profit of \$230,000 on the night and it was your generosity that helped achieve this outstanding result. This has allowed our committee and Starlight to brighten the lives of seriously ill and hospitalized children in the Canberra region.

In today's environment of multiple charities and fund raising events we understand the constant approaches for help and so we greatly appreciate your support. There is no doubt your efforts have contributed significantly to Starlight and their goal to reach 3 out of 3 seriously ill children throughout Australia.

The Canberra Star Ball has proven to be a highly successful fundraising event for Starlight. Our commitment to the Starlight Children's Foundation and its wonderful beneficiaries is long term and we only hope to raise the bar each year.

Once again, on behalf of the Canberra Star Ball Committee, thank you again so very much for your generosity and continued support.
